

# UNIVERSITY of NEW HAMPSHIRE

## Internal Material Transfer Agreement

The purpose of this letter is to provide a record of the biological material transfer, to memorialize the agreement between the HUBBARD CENTER FOR GENOME STUDIES (HCGS) and the UNH RECIPIENT SCIENTIST (identified below). The UNH RECIPIENT SCIENTIST should sign both copies of this letter and return one signed copy to the HCGS. The HCGS will forward the material to the UNH RECIPIENT SCIENTIST upon receipt of the signed copy.

Materials received **shall not be split, reconstituted, or transferred** to external laboratories, (i.e. outside UNH), or used within commercial applications without a licensing agreement. When the scientific results obtained from use of any library are published or otherwise disseminated, the scientific creators and the origin of the DNA libraries and other research material should be acknowledged. This is important to permit us to measure the impact of our scientific contributions and will facilitate continued funding of similar resources.

### 1. HUBBARD CENTER FOR GENOME STUDIES

Provider Scientist    Thomas D. Kocher, Ph.D.  
Address                440 Gregg Hall, 35 Colovos Road, Durham, NH 03824

### 2. RECIPIENT: Department receiving the ORIGINAL MATERIAL

Department: \_\_\_\_\_  
Campus Address: \_\_\_\_\_

- 3. ORIGINAL MATERIAL as described on the order form submitted to the HCGS and included hereof as Attachment I.
- 4. These materials are under an approved UNH Institutional Animal Care and Use Committee (IACUC) protocol and UNH Institutional Biosafety Committee approval.
- 5. Termination date for this letter: none
- 6. Transmittal Fee to reimburse the PROVIDER for preparation and distribution costs in US dollars as detailed on the order form submitted to the Hubbard Center for Genome Studies and included hereof as Attachment I.

This Internal MTA is effective when signed by all parties. The parties executing this MTA agree to be bound by its terms, for the transfer specified above.

### PROVIDER SCIENTIST

Name:                Thomas D. Kocher, Ph.D.  
                          Professor and Co-Director  
Title:                Hubbard Center for Genome Studies  
                          440 Gregg Hall  
Address:            University of New Hampshire, Durham, NH 03824

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### UNH RECIPIENT SCIENTIST

Name: \_\_\_\_\_  
Title: \_\_\_\_\_  
Address: \_\_\_\_\_  
Signature: \_\_\_\_\_ Date: \_\_\_\_\_
